Near-Term Project Leads

In addition to the recent Flywheel deal closing, the DCGB team is advancing on several upcoming transactions that have either recently been approved or are up for Board approval and are likely to close within the coming months:

- Revolving loan facility for installation of multiple stormwater green infrastructure projects, led by a local woman-owned developer
- Permanent loan takeout facility for Solar for All projects as a participation with a community bank, led by a local woman-owned developer
- Pre-development loan facilities to support green building and sustainable design upgrades for new construction of mixed use and affordable housing sites led by minority-owned developers
- Financing of a portfolio of solar projects to be installed atop local religious institutions
Thank You.
