6/18/2021	I wanted to respectfully note that the \$500 fee to submit a proposal seems like a barrier to smaller or emerging firms submitting proposals for this work.	6/22/2021	Based on constructive input we have received, DC Green Bank has slightly modified the Financial Advisor RFP in order to remove the Processing Fee requirement. Please note the modification to the RFP applies only to the removal of the processing fee.
6/22/2021	Is there a defined budget for this scope of work?	6/25/2021	No, there is not a defined budget.
6/22/2021	Will you be requiring a regulated financial advisor for this scope of work and will raising or solicitation for financing be part of the scope?	6/25/2021	<ul style="list-style-type: none"> a. Being a regulated financial advisor is NOT a requirement for this scope b. Raising or soliciting financing is NOT a part of this scope, but rather proposing a plan for such capital raise.
6/24/2021	TECHNICAL Envelope - Section 7. Terminated Contracts. Will DC Green Bank please clarify that this request for termination information is only referring to contracts Terminated for Default?	6/25/2021	<p>This requirement refers to voluntary terminations as well as other terminations that may be provided under contract, whether for convenience, cause, default or otherwise.</p> <p>It is not expected that non-renewals or term expirations would be included.</p>
6/24/2021	FINANCIAL Envelope - Cost of Services. Will DC Green Bank please also consider allowing bidders to propose weekly rates for additional services if a bidder does not offer hourly/daily rates?	6/25/2021	Yes, we can consider weekly rates. We would like to receive a flat rate for the proposed scope, but then we can review weekly rates for additional services.
