

A woman with dark, curly hair is sitting on a white blanket in a grassy field, reading a book. She is wearing a white tank top and a dark skirt with a gold spiral pattern. The background is a soft-focus green field with trees in the distance. The lighting is warm, suggesting late afternoon or early morning.

Community Impact Initiative Launch

Agenda

Welcome

Overview of the Initiative

Panel: Impact on the Faith Community

Meet our Partners

Getting Started

Q & A Session

The Community Impact Initiative (CII) pathway is open to small businesses and community-based organizations that would benefit from additional assistance in provided resources and education in green energy and financing process, through a third-party partner. This “green glove” service helps to facilitate end to end client and project success.

DC Green Bank Closes First Community Impact Initiative Pilot Investment, Committing More Than \$500,000 For Efficiency Upgrades To Shiloh Baptist Church Of Washington

APRIL 11, 2022
