

VISION

A Thriving Clean Economy for All DC

MISSION

Providing access to capital to grow the clean economy and develop a more equitable, resilient and sustainable DC

VALUES

Sustainability
Clean Economy
Inclusive Prosperity

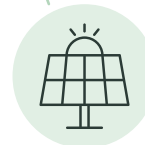

CREATE JOBS AND SPUR ECONOMIC GROWTH

REDUCE RESIDENTS' & BUSINESSES' UTILITY COSTS

ROLE OF DC GREEN BANK

REDUCE EMISSIONS AND INSTALL CLEAN & EFFICIENT ENERGY SYSTEMS

INCREASE DURABILITY OF COMMUNITY INFRASTRUCTURE

INVESTMENT FOCUS SECTORS

GREEN BUILDINGS

Upgrade new and existing buildings to be cleaner, more efficient, and improve DC residents' living conditions.

SOLAR POWER

Install solar systems to provide clean and affordable energy, giving residents more control over their energy costs and needs.

GREEN INFRASTRUCTURE

Deliver projects that reduce the impacts of stormwater runoff, flooding, and excessive heat while increasing air and water quality.

CLEAN TRANSPORT

Transition the District's public and private transportation systems to reduce emissions, improve air quality, and increase accessibility.
